

PRAKHAR PANDEY

Software Engineering Student

pandeyprakhar072@gmail.com • LinkedIn; LeetCode; GeeksforGeeks • Extra Link • Location

Summary

I am a motivated software engineering student eager to leverage my programming and problem-solving skills. I have a strong foundation in full-stack development and a keen interest in projects that integrate innovative technologies, such as IoT. My experiences in leadership roles have shaped my collaborative and communicative abilities, equipping me for impactful contributions in a dynamic work environment

Experience

United Institute of Technology Summer Trainee - Python	Prayagraj 08/2024 - 08/2024
A technical institute offering various engineering programs	
<ul style="list-style-type: none">Specialized in Python programming during summer trainingPerformed hands-on projects and learned advanced Python concepts	
IIIT Prayagraj Summer Trainee - Web Development	Prayagraj 08/2025 - 08/2025
An Indian Institute of Information Technology dedicated to education in computing	
<ul style="list-style-type: none">Focused on HTML and CSS during summer trainingDeveloped web design skills through practical applications	
E-Cell Technical Head	08/2025 - 08/2025
A student run entrepreneurship cell that fosters innovation	
<ul style="list-style-type: none">Led the technical team in managing operations and projectsOrganized events and workshops to promote technology and entrepreneurship	

Education

United Institute of Technology Bachelor's of Technology in Computer Science & Engg	Prayagraj 10/2023 - 06/2027
Pt. Jawhar Lal Nehru Inter College Intermediate (Class XII - UP BOARD)	Gorakhpur 04/2021 - 04/2023
R.P.M Academy High School (Class X - ICSE)	Gorakhpur 04/2019 - 04/2021

Strengths

★ Communication Skills Excellent communication skills that facilitate team collaboration and project success	★ Time Management Strong time-management abilities helping to balance multiple responsibilities effectively	★ Team Collaboration Ability to collaborate effectively within teams, ensuring smooth project execution
--	---	---

Key Achievements

★ Technical Head Achievements Successfully led a team as Technical Head in E-Cell, promoting technology initiatives within the college	🧠 Workshop Participation Participated in multiple workshops, enhancing my skills in Python and IoT
--	--

Skills

Confluence • Cricket • CSS • HTML • IoT • Java • JavaScript • PyCharm • Python • SQL • Visual Studio • Visual Studio Code • Chess • Gmail

Projects

Password Generator

A tool that generates secure passwords using random characters

- Developed a password generator application using Python libraries for enhanced security
- Integrated functionality for generating various types of passwords

My Portfolio

A portfolio website built to present my personal projects and skills

- Created a personal portfolio using HTML, CSS, and JavaScript
- Showcased skills and projects in a visually appealing format
